Conceptualizarea structurii repozitoriilor instituționale

Ecaterina Zasmenco
Ala Corovai

Biblioteca Centrală USM

- ⦿ Arhivele instituționale au devenit un vector important pentru comunicarea științifică.
- ⦿ Astăzi, patru din cinci arhive electronice deschise sunt arhive instituționale.
- ⦿ Una dintre caracteristicile repozițiilor este diversitatea lor, care este una mare.
- ⦿ Nu există un singur model de repoziții , există o varietate de de repoziții.

The screenshot shows a web browser window displaying the IBSS Repository website. The browser's address bar shows the URL repository.ibss.org.ua/dspace/community-list. The website header includes the logo of the Institute of Biology of the Southern Seas and the text "E-Repository". A navigation menu contains links for "Главная страница", "Мой архив ресурсов", "Просмотр", "Поиск", "Язык", "Справка", and "O DSpace".

The main content area is titled "Разделы и коллекции" (Sections and Collections). It features a list of categories on the left and a detailed list of items on the right. The categories include:

- Books [356]
- Conferences [101]
- Dissertation's abstracts [1]
- IBSS Biobibliography [275]
- IBSS serials [3012]
- Overprints [164]
- Preprints [10]

The "Books" section is expanded, showing a list of sub-categories and their counts:

- IBSS Bibliography [6]
- IBSS books [90]
- IBSS Proceedings [260]
 - Бентос/ Benthos [13]
 - Биологические исследования Черного моря и его промысловых ресурсов [54]
 - Биология и распределение планктона южных морей [20]
 - Биоокеанографические исследования южных морей [13]
 - Вопросы биоокеанографии [31]
 - Динамика вод и вопросы гидрохимии Черного моря [16]
 - Донные биоценозы и биология бентосных организмов Черного моря [11]
 - Исследования планктона Черного и Азовского морей/ Black sea and Azov plankton researches [10]
 - Исследования планктона южных морей /Southern seas plankton researches [10]
 - Некоторые результаты исследований III Красноморской экспедиции [14]
 - Океанографические исследования Черного моря [15]
 - Распределение бентоса и биология донных животных в южных морях [11]
 - Структура и динамика водных сообществ и популяций [12]
 - Физиология морских животных [15]
 - Эколого-морфологические исследования нектонных животных [15]

The "Conferences" section lists 10 items, including the 2nd Biannual and Black Sea SCENE EC project joint conference BS-HOT 2008, a conference on Ukrainian science and ecological safety of the Black-Azov Sea region, and a conference on larviculture in Iran.

The "Dissertation's abstracts" section lists 1 item: IBSS dissertation's abstracts [1].

The "IBSS Biobibliography" section lists 275 items.

On the left side of the page, there are sections for "Ленты RSS" (RSS feeds), "Contact:" (with an administrator link), and logos for "IBSS" (founded in 1871), "IODE" (International Oceanographic Data and Information Exchange), and "OceanDocs" (National node of OceanDocs). A footer note states: "IBSS Institutional Repository provides a stable, secure and accessible repository for..."
